Rafael Rondon Selected as President and Chief Executive Officer of The Tennessee Credit Union

The Tennessee Credit Union Board of Directors is pleased to announce the appointment of Rafael Rondon as the next President and Chief Executive Officer of The Tennessee Credit Union.

Mr. Rondon has been in the financial services industry for over 20 years, rising through the ranks throughout his career from Branch Manager to most recently serving as President and Chief Executive Officer of Xplore Federal Credit Union in New Orleans, Louisiana. He possesses a Bachelor of Business Administration in finance from Florida International University and a Master of Business Administration from Nova Southeastern University. Throughout his career, Rafael has been a proven leader and motivator and we are thrilled to have him on board beginning April 18, 2022, at The Tennessee Credit Union.

When asked about his new position Mr. Rondon said, "I am humbled and excited to be joining The Tennessee Credit Union as the new CEO. Mike has built an impressive legacy and I am excited to continue it and the continued growth of the credit union."

Rafael Rondon is succeeding Michael D. Martin, who will be retiring April 15, 2022, after almost 40 years of service to the Credit Union.

"We are beyond excited to have Rafael join us at The Tennessee Credit Union. He will be a great addition to the team, and we are thrilled to have him joining us. We are sad to lose Mike, but wish him a happy and healthy retirement," said Mr. Gerald Martin, Chairman of the Board.

The Tennessee Credit Union was founded in 1950 by a group of Nashville Educators with the goal of helping members achieve personal financial growth and a secure and sound financial future. Today, TTCU is a full-service credit union serving more than 24,600 members, educators, and select employer groups statewide, with over \$410 million in assets. The Tennessee Credit Union's mission is to honor traditional credit union values while utilizing innovation to provide an exceptional member experience. To learn more, visit www.ttcu.org.
