

EVERY CHILD DESERVES TO REACH THEIR FULL POTENTIAL

At Youth Villages, we believe a stable family and strong support system can help any child succeed.

Youth Villages provides help for children and young people across the United States who face a wide range of emotional, mental and behavioral problems. We work to find solutions using proven treatment models that strengthen the child's family and support systems and dramatically improve their long-term success. Youth Villages directly helps tens of thousands of young people and their families every year and increases our impact through partnerships and advocacy.

As a leader in the field of children's mental and behavioral health, Youth Villages earns its status as one of the nation's most promising results-oriented nonprofits, as recognized by Harvard Business School, U.S. News & World Report and The White House.
