The Chamber's 114th Annual Meeting is scheduled for Tuesday, January 14 at 6:30 p.m. The event is returning to the "Z" Buda Gymnasium on the Morristown campus of Walters State Community College this year. Walters State is always a wonderful host for the Annual Meeting and we are pleased to be partnering with them to provide the venue. A crowd favorite, Rothchild's Catering will provide the buffet meal.

Dr. Dale Henry, seminar leader, author, educator and businessman will be our featured speaker. Dr. Henry has presented over 1,000 programs to America's top professional and educational organizations, and we are delighted to have him entertain and educate our membership at the Annual Meeting.

In addition to Dr. Henry, the members will hear an "end of 2024 wrap up" from outgoing Chairman Jim Price as well as comments from our 2025 incoming Board Chair, Susanne Cox, President of TCAT Morristown and recognition of the 2024 Leadership Morristown class.

At the conclusion of the program, two award will be presented—the coveted Ambassador of the Year and the R. Jack Fishman Community Service Award.

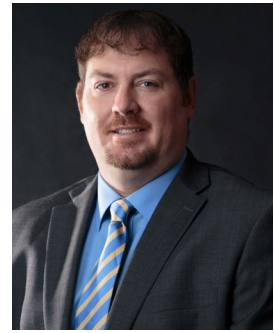

Tickets for the Annual Meeting are \$70 per person and can be reserved by contacting Debra Williams at manager@morristownchamber.com. Those who have already ordered tickets will be receiving them in the mail. Any tickets ordered after Wednesday, January 8 will receive their invoice via e-mail and may pick up their tickets at the door. **All seating is reserved.**

Guests should check in at the registration table when they arrive for their table assignment.

For questions or additional information, please call or e-mail Debra.

A Message from the President

Make Plans to Attend Your Annual Meeting

I hope everyone is planning on attending and enjoying the Chamber's Annual Meeting next week. If you need incentive, I'll say 2 words, mac & cheese....There are lots of other reasons to attend other than the food as well. We will have the chance to honor Jim Price. Jim is serving in his 2nd go around as Chamber chair as covid got in the way of his first time around and Jim's leadership has been so appreciated this year.

This has been a year of physical improvement for the chamber with much outside cleaning, pressure washing and painting as well as new carpet, flooring, and other improvements inside the chamber as well. These things are often overlooked but Jim has an eye for detail and these much needed upgrades have helped our office stay in top shape.

We will also welcome in Susie Cox, president of TCAT, as our incoming chair and look forward to working with her over the next year. We see the upcoming year as a year of growth for business and industry and will likely put a large focus on continued infrastructure and workforce development as we continue to focus on the building blocks of success. Our community has been very fortunate over the years to be very successful in the recruitment and retention of business and industry and it is incumbent on us to keep the needed infrastructure in place to see continued success.

We have a great speaker lined up who has been an educational leader in the region and has also been invited to speak to the leaders of many fortune 50 companies mixing southern humor with lessons about leadership and business success. To learn more about Dr. Dale Henry, visit <https://www.drdalehenry.com/>.

We look forward to seeing you.
