## The Christman Company's Knoxville region earns top award for safety

The Christman Company's Knoxville region is recognized with the 2024 Diamond STEP Award by the Associated Builders and Contractors (ABC) Greater Tennessee Chapter in December in Nashville. From left: Steven Smith, regional safety manager for The Christman Company; Reed Hendricks, director of education and safety for ABC Greater Tennessee; and Camden Baker, assistant project manager for The Christman Company.

The Christman Company's Knoxville region has been recognized with the 2024 Diamond STEP Award by the Associated Builders and Contractors (ABC) Greater Tennessee Chapter.

The construction company received the Safety Training Evaluation Process (STEP) award, which signifies a commitment to jobsite safety and exemplary safety programs, at the chapter's annual ceremony in Nashville in December.

"Safety is our top priority at The Christman Company," said Marty Gibbs, senior vice president and general manager for Christman's operations in Knoxville. "This acknowledgement of our efforts to foster safe work environments is significant because it comes from those who also work in our industry and understand our operations."

The Christman Company has earned the Diamond award – the highest level – from ABC in Tennessee for two consecutive years. In 2023, the company earned the Associated Builders and Contractors' national award at the Platinum STEP level. The Christman Company is now eligible again for national honors.

"We also want to acknowledge all of our team members and trade contractor partners," Gibbs said. "It takes the contributions of everyone on the jobsite to maintain safety standards and earn this recognition."

ABC developed the STEP program to assist construction companies in assessing and improving their safety practices and procedures. The program provides a detailed framework for companies to evaluate the effectiveness of safety programs and benchmark their performance against industry standards and peers.

To receive the bonus, you must open a new U.S. Bank Smartly® Checking account with a minimum deposit of \$25 either online through the promotional offer web page, in a branch or over the phone from January 7, 2025 through and including April 17, 2025. Your promotional offer will be automatically applied if you open your account through the promotional offer web page, or if opening in a branch or via telephone, must be activated by your banker at account opening. Additionally, you must enroll in the U.S. Bank Mobile App or online banking within 90 days of opening your account. You must also complete two or more direct deposits within 90 days of opening your account that total: \$2,000 - \$4,999.99 to earn the \$250 bonus, \$5,000 - \$7,999.99 to earn the \$350 or \$8,000 or more to earn the \$450 bonus. A direct deposit is an electronic deposit of your paycheck made through the Automated Clearing House (ACH) network or an electronic deposit of your government benefits, such as Social Security, from your employer or the government. Other electronic deposits or person-to-person payments are not considered a direct deposit. Your checking bonus ("adjusted interest") will be credited to your new checking account within 30 days of direct deposit verification and verification of enrollment in online banking or the U.S. Bank Mobile App as long as your account is open and has a positive balance. Bonus will be reported as interest earned on IRS form 1099-INT and recipient is responsible for any applicable taxes. Offer may not be combined with any other checking account bonus offers.

Limit one checking bonus per eligible account. Current U.S. Bank employees are eligible to participate. Offer may not be available if you live outside of the U.S. Bank footprint. Offer not available through Alliance partnerships. Offer not available with Trust Accounts. Other restrictions may apply. All standard account terms, conditions and opening procedures apply. For a comprehensive list of account pricing, terms and policies, see the *Your Deposit Account Agreement* and the *Consumer Pricing Information* disclosure. These documents can be obtained by contacting a U.S. Bank branch or calling 800-872-2657. Deposit products are offered by U.S. Bank National Association.
