

Leadership Morristown Class of 2024 Celebrates

Although Leadership Morristown concluded their sessions in November, 2024 and presented their group projects at the Annual Meeting in January, the class members took some time on Monday, March 31 to gather for a mini-reunion and to receive their award certificates and gifts from the Chamber for their participation. The group gathered at the Rose Center and, in addition to their Leadership activities, they enjoyed some refreshments and the Hamblen County Schools Middle School Art Exhibit which had just been hung in the Davis Gallery. Pictured here are members of the Leadership Morristown class of 2024.

Our 2025 Leadership Morristown Class will begin sessions in August. Registration forms will be available on July 7. Anyone interested in participating in this program should contact Debra Williams at the Chamber to be put on a list to receive registration information (manager@morristownchamber.com).

Leadership Morristown is a program of the Morristown Area Chamber of Commerce. Its purpose is to identify individuals who have been put in positions of leadership or who have the potential to become community leaders and provide them with the contacts, training, and encouragement to achieve and excel in leadership roles.

A Message from the President

...Marshall Ramsey

Help Us Honor Our Small Businesses

It looks like our community is in store for an unseasonably warm weekend upcoming and there is no better way to celebrate that warm up than going shopping in Morristown. Shopping local generates significant funding and support for our local school system and is a way to contribute through doing things you already enjoy doing, shopping! Hamblen County is the 3rd smallest county in size in the State of Tennessee but we are blessed with more than our share of retailers. From large to small, there are beginning to be less and less items that can't be bought in our own community.

As most of you know, the Chamber supports businesses large and small in our community, and we have a fun event coming up on April 22nd at 11:30 at First Presbyterian Church. The Small Business Awards are back again and we look forward to honoring all of our nominees. These companies who are nominated put in a lot of effort showing how their business operates and how their business supports our community. Outside judges review the nominees and we celebrate the winners and all the nominees at the luncheon. Tickets are available for \$23 and we would love to invite all to show your support, network and enjoy lunch with the 2025 nominees.

Need a Meeting Space?

Did you know that the Chamber's Board Room and Conference Room are available for use by our mem-

bers during the regular business day at no charge? Chamber meetings and activities get priority, so scheduling must be done around those meetings. If you would like detailed information on how to take advantage of this benefit, please contact Caroline Norris at

macc@morristownchamber.com.

The Tourism Department is seeking a sponsor for the 2 skids of bottled water needed for the TN State Disc Golf Championships 5/30-6/1. If your business or organization is willing to sponsor, please contact Anne Ross at tourism@morristownchamber.com. Sponsor's logo will appear on the banners at the 5 courses and Morristown Landing. Thanks!
