A Message from the President

...Marshall Ramsey

Come Join the Fun! The Chamber Provides Plenty of Opportunities!

We hope all of our sponsors and participants enjoyed the annual Morristown Chamber Golf Tournament on Monday. I thought the food and course was wonderful. Some of the scores looked questionable but hopefully a fun day was had by all.

The Chamber has many other upcoming events that you as a member can be a part of, the first being tomorrow, Friday, June 6th at our First Friday Concert Series. The fun will start at 6:00 with the main band, The Roberts Sisters, coming on at 7:00. They are regular performers at Dollywood and should make for a fun evening. The night market will be under the farmers market pavilion and we will also have plenty of food trucks and 1907 providing the drinks!

Also coming soon on the Chamber side, we have a business after hours on June 12th at the Lakeway Area Association of Realtors and a Membership Breakfast at Next Level DME on June 26th. The Business Showcase coming up in September and there are plenty of sponsorship opportunities with that event.

We want to ensure that you get the most out of your membership and the way to do that is through the networking opportunities these events provide. Don't worry about being new, being introverted, or being nervous about large groups. We are a fun group of like minded individuals focused on your personal and business success along with the economic success of our community!

COUNCIL FOR THE ARTS

www.rosecenter.org

The Gold Star designation is for members who support the mission and program of work of the Chamber through increased financial investment. Gold Star members receive special recognitions and benefits throughout the year in return for this increased investment. If your company would like more information on becoming a Gold Star member, please contact Lauren Seaver, 423.586.6382 or membership@morristownchamber.com

SBA Launches Portal to Boost Made in America Manufacturing Initiative

As part of its "Made in America Manufacturing Initiative," the U.S. Small Business Administration has introduced a new online tool designed to connect American manufacturers, suppliers, and producers with businesses seeking domestically sourced products and services. Called the Make Onshoring Great Again portal, the initiative grants users free access to three curated databases—Thomasnet, IndustryNet, and Connex—each featuring U.S.-based companies. Developed in partnership with these platforms, the tool is part of the SBA's broader effort to strengthen American manufacturing and supply chain resilience.

Access the portal [here](#).
