Be on the Lookout

The Chamber is preparing to kick off the 2026 Leadership Morristown Program on August 13. **Application forms will be available on July 7** with a deadline for returning them set for August 5. Anyone interested in receiving an application should contact Debra Williams at manager@morristownchamber.com.

Participation in the 2026 class will be limited to 20 individuals. Tuition rates are included on the application. A complete schedule of the session dates will also be available July 7 with the application.

Leadership Morristown was established in 1984 as a program of the Morristown Area Chamber of Commerce. Its purpose is to identify individuals who have been put in positions of leadership or who have the potential to become community leaders and provide them with the contacts, training, and encouragement to achieve and excel in leadership roles.

A Message from the President ...Marshall Ramsey

Making Connections on the Golf Course

We truly appreciate all of our sponsors and participants at our Chamber Annual Golf Tournament. This is such a great yearly networking event and you will notice, if you play in many of these events yearly, ours is a little different. This is intentional to not feel or function like a fundraiser. We won't bully you into mulligans or badger you with red tees. We won't hammer you with throws or charge you extra for cannon shots. There are plenty of those events and those are loads of fun but we want our event to be more about the ability to participate, network and make connections.

You will notice that several of our hole sponsors set up tents or tables with info and giveaways. We love that and want to see that participation grow. Golf scrambles are inherently slow which allows time for this type of interaction. Where else can you meet with 100 like minded individuals in a relaxed atmosphere and show off your business for just \$150? We also try to start a little earlier so you can finish at a decent time. We love you, but we know you also love your family and an all day and evening golf event rarely goes over well at home.

We do appreciate all of our sponsors this year including our title sponsors, flight sponsors, lunch sponsor and those all important beverage & snack sponsors, as well as all of our hole sponsors and team sponsors. Your continued support and participation in our event shows the strength of our business community and how proud our chamber is of that community we call ours!
