WE LOVE VISITING YOU!

THANK YOU FOR WELCOMING THE

IMAGINATION LIBRARY MOBILE BUS!

Wonderful idea for the bus. It's really cool inside too! Children will love it so much!

Great for the community!

We LOVED the bus!! Such a blessing!

I really enjoyed visiting the Library Bus. Loved the bookshelves as well as the couch for little kids to sit on. The bus on outside looked great. I'm certain children will enjoy reading a book inside. It was funny to hear the story that some of the kids asked if the bus was magic.

The book bus was a hit with my students. They were so excited to receive a new book. All my kindergartners are now readers and to see their faces light up when they chose their book was so heartwarming. I am very grateful my students experienced this!

Love this opportunity for our students to be able to receive a FREE book for them to keep! The bus is so fun and inviting!

The students at John Hay loved going in the bus and hanging out. They loved getting a book to take home as well. This bus helped them realize reading could be a relaxing hobby!

The imagination library bus is beautiful and functional for children and families!

This was an amazing experience for my Prek class. They loved it! Comments, "Mrs. Holt that was cool" "That was awesome"

Amazing experience for everyone teachers and kids!

The children & teachers were so excited to get a new book. A great learning tool. Thank you.

We loved the bus! The students said it was "cool" the bean bags!" "I loved getting on the bus!" We really enjoyed the read aloud and getting to experience the bus and then picking a book. The students were so proud of their books and came back to the classroom to read!

**THANK YOU FOR BEING PART OF OUR STORY!

Hamblen County 9-1-1 Announces New Administrative and Alarm Line Telephone Numbers

Morristown, TN — May 15, 2026 — Hamblen County Emergency Communications (9-1-1) is announcing the launch of new telephone numbers dedicated exclusively to **administrative calls, non-emergency inquiries, and alarm company reporting**. This change is part of the center's ongoing effort to improve service efficiency and ensure that emergency lines remain available for life-threatening situations.

Effective **June 1, 2026**, the new telephone numbers will be:

 **Administrative Number = 423-616-0852**

This number should be used for:

- General questions about 9-1-1 services
- Non-urgent communications with center staff
- Records requests
- Administrative matters not requiring emergency response

 **Non-Emergency Dispatch Number = 423-616-0855**

This number should be used for:

- Requests for the dispatch of law enforcement, fire service, or an ambulance for a non-emergency situation
- Reporting of a non-emergency incident
- Non-emergency communications with dispatch staff
- Public safety matters not requiring emergency response

 **Alarm Company Reporting Number = 423-616-0861**

This number should be used for:

- Alarm company notifications and testing
- If your residence or business has a monitored alarm system – such as a fire alarm or burglary alarm – or if you have a medical device that sends an alarm when you have an emergency, **NOTIFY YOUR ALARM COMPANY THAT THIS IS THE NUMBER THEY NEED TO USE TO CONTACT 9-1-1 WHEN AN ALARM IS ACTIVATED**

The public is reminded that **9-1-1 remains the number to call for any police, fire, or medical emergency**. Keeping emergency lines free ensures that callers experiencing urgent, life-threatening situations can reach help without delay.

Please update your records and begin using the new number on **June 1, 2026**.

For more information, please contact Jennifer Warner at 423-616-0852 or jwarner@hamblen911.org.
